**FRANCISCAN SPIRITUALITY
& INTELLECTUAL TRADITION**

IN THE FOOTSTEPS OF FRANCIS AND CLARE

PONTIFICIA FACOLTÀ TEOLOGICA SAN BONAVENTURA - SERAPHICUM

PONTIFICIA UNIVERSITÀ ANTONIANUM

This two-year course (in English) offers a basic formation in *Franciscan Spirituality and Intellectual Tradition*. The aim of the course is to provide an overview of Franciscan Studies and the works of the great Franciscan masters, by systematically exploring the themes of the charism of St. Francis and St. Clare of Assisi. From this perspective, some aspects of Franciscan life will also be presented in relation to the mission of the Church, realized through discipleship in the world of yesterday and today, with a hope for tomorrow. The various sections of the course will follow their own methodology of integrating study with praxis, so that knowledge of Franciscan Spirituality becomes a way of life.
